

I Promise

Jaci Velasquez

Lord, You know my heart
And all my desires
And the secret things I'll never tell
Lord You know them well
Though I may be young
I see and understand
That at times like sheep
We go astray and things get out of hand
So I promise to be true to You
To live my life in purity
As unto You
Waiting for the day
When I hear You say
Here is the one I have created just for you
Until then O lord
I will be content
Knowing that true love
Will come someday
And will only come from you
Cause I have seen the suffering that loneliness can cause
When we choose to give our love away
Without a righteous cause
So I promise to be true to You
To live my life in purity
As unto You
Waiting for the day
When I hear You say
Here is the one I have created just for you
