Play It Again

Luke Bryan

She was sittin' all alone over on the tailgate
Tan legs swingin' by a Georgia plate
I was lookin' for her boyfriend,
Thinkin', "No way she ain't got one."
Soon as I sat down I was fallin' in love
Tryin' to pour a little sugar in her Dixie cup

Talkin' over the speakers in the back of that truck

She jumped up and cut me offShe was like, "Oh, my God, this is my song.

I've been listenin' to the radio all night long.

Sittin' 'round, waitin' for it to come on and here it is."

She was like, "Come here boy, I wanna dance."

'Fore I said a word she was takin' my hand

Spinnin' me around 'til it faded out

And she gave me a kiss

And she said, "Play it again, play it again, play it again."

And I said, "Play it again, play it again, play it again."

I'd a gave that DJ my last dime

If he would have played it just one more time

But a little while later we were sittin' in the drive in my truck

Before I walked her to the door

I was scannin' like a fool AM, FM, XM, too

But I stopped real quick when I heard that groove

Man, you should have seen her light upShe was like, "Oh, my God, this is my song.

We've been listenin' to the radio all night long.

I can't believe that it came back on, but here it is."

She was like, "Come here boy, I wanna dance."

'Fore I said a word she was takin' my hand

Spinnin' in the headlights she gave me a goodnight kiss

And I said, "Play it again, play it again, play it again."

And she said, "Play it again, play it again, play it again."

The next Friday night

We were sittin' out under the stars

You should have seen her smile

When I broke out my guitarShe was like, "Oh my God, this is my song.

I've been listenin' to the radio all night long.

Sittin' 'round, waitin' for it to come on and here it is."

She was like, "Come here boy, I wanna dance."

'Fore I said a word she was takin' my hand

Spinnin' in the headlights she gave me a goodnight kiss

And she said, "Play it again, play it again, play it again."

And I said, "Play it again, play it again

Somebody, play it again, play it again, play it again Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
