

Not the Only One

Kevin Gates

Let me out Say you love me, yeah
Say you love me, yeah
I know that I'm not the only one
Struggles I done overcome I killed that nigga for my dog and now he owe me one Labor a brick
layer slangin' weight
Fell in love, made a new mistake
Baby momma arguin', askin' where was I
Instead of asking "how we do today?"
Breakin' through the safety pin with solid ye
I most likely blew through 28
Women shady, how come I ain't choose to hate?
Loyal to 'em how come I ain't see the plate?
Couldn't see no wrong in people tryna help 'em
Wanna see my youngin's really eatin'
Gold tinted blocks glisten for no reason
One bedroom apartment watchin' killer season
Had my share, funny tell you a lil secret
People that you love and they not sharin' nothin'
See you pockets ugly, won't reach out for nothin'
I can't wait to catch you bitches out in public
Flyin out the mouth, fuck your bitch in front you
Okay too aggressive, other women love it
I don't kiss and tell, lot of artists wonder
Caught the broad, punch her longer in the stomach
Went from rugged, took some losses, money doubled
Toilet bowl, think it's shittin' on 'em, fuck it Playin' chance and the bishop on the muscle
You would never love me like my daughter love me I can't be the one you love
And I can't be the one you love
Struggles I overcome
Killed that nigga for my dog and now he owe me one
Say you love me, yeah
Say you love me, yeah I know that I'm not the only one
Say you love me, yeah Say you love me, yeah
Say you love me, yeah
I know that I'm not the only one
Actors got stripes they ain't never earned
Not a freak for fame, rather wait my turn
Say he tell it, tell it put him in the dirt
Fuck his family members, they can wear his shirt
Every rapper talkin' cookin' dope
Flippity flip, break-break your wrist
I desire I would be alone, no attention if it's ignorance

To say it frankly, I don't give a shit
Breathin' hard, come on say what's in your thoughts
Somethin' on your mind, I could take it off
Money mean nothin', I want my respect
Different focus on tatted on my flesh
Hoes in my clothes, underarms smellin'
Million man march this ain't Malcolm X
Where I'm fair receivin' government assistance
Get up out the bed, spend up on a check
How you don't know that, you ain't never gagged
What you mean by ye, talkin' sellin' crack
I'm a fluid (?) Montana
Thinking going back and peddle where
(?)

Renegade hoes settin' up the hoes
Junkies usin' H, it's a better feel
I can't be the one you love
And I can't be the one you love
Struggles I overcome
Killed that nigga for my dog and now he owe me one
Say you love me, yeah
Say you love me, yeah
I know that I'm not the only one
Say you love me, yeah
Say you love me, yeah
Say you love me, yeah

I know that I'm not the only one
Ain't been havin' no dreams
Don't be gettin' no sleep
How can someone call me those things
They don't even know me
I lost everything I love and we could go
Loyalty which probably mean the most
Heart played on every time I gave
Makin' me afraid of being close
Big dog, mouth full of gold
Big loud, ounce getting rolled
We died out 20 shows
Radio stop playin' songs
I ain't really feel like I was wrong
Southside finest get it on
Right back grindin', teeth grittin'
Ship sinkin', cry about it? No
Catch 'em with the lyrics on a whim
The one who spoke the laws I am him
Started out, we wanted us some ends
Late night discussion of a Benz
Late night we fussin' bout the rent
Eviction notice posted, I ain't notice
Focused tryna get another flip
Wasn't makin' half of what I spent
(?) passenger, we lit
I just got one more but that's a lick
Conversation with the boss man, look
We was talkin' signin' him again

Women wanna clown in front they friends
Like you was not respectin' what it is
Listen when I tell you what it is
To be around you signin' a consent
You know I just got married to your friend
I done threw a ring around the dick
Diamonds dancin' every time I spit
Had to throw some bling up on a bitch
Self made stand up guy
God first, hands to the sky
All I do is ride nigga, yeah
I don't even argue about the break
The money that you owe me, you can have
I can't even see me gettin' mad
I can't even see me goin' backwards
Know you wanna see me on my ass
Cuttin' up with Dreka fine ass
Swagger matchin', where'd you find that?
I just rode a (?) with mad ass
Please me let me enjoy the ride back
Please me let me enjoy the ride back
Could you please me let me enjoy the ride back?
I just rode a (?) with mad ass
Cuttin' up with Dreka fine ass
Swagger matchin', where'd you find that?
See I live my life like you know I'm gonna enjoy this bitch cause you never know
when this gon' be over. I can't be the one you love
