

So Long, Good-bye

10 Years

Keep changing your mind
Like clouds in the sky
Love me when you're high
Leave me when you cry I know it all
It takes time
Like a river running dry
When the sun's too bright So long, this is goodbye
May we meet again in another life
Like strangers passing by
May we see clearly in a different light
Keep dodging lights
Like a thief in the night
The sun will rise
And expose all the lies So why deny that you and I
Lead different lives
The rivers from your eyes
Can't change my mind So long, this is goodbye
May we meet again in another life
Like strangers passing by
May we see clearly in a different light The rivers from your eyes
Can't change my mind
So long, this is goodbye
May we meet again in another life
Like strangers passing by
May we see clearly in a different light
