

# There's No Way

## Alabama

As I lay by your side and hold you tonight  
I want you to understand,  
This love that I feel is so right and so real,  
I realize how lucky I am.  
And should you ever wonder if my love is true,  
There's something that I want to make clear to you. There's no way I can make it without you,  
There's no way that I'd even try.  
If I had to survive without you in my life,  
I know I wouldn't last a day.  
Oh babe, there's no way.  
It means so much to me whenever I see  
That 'wanting me look' in your eyes.  
I don't know how I could do without  
Holding you close every night.  
I've waited so long just to have you to hold.  
Now that I've got you,  
I'll never let go. There's no way I can make it without you.  
There's no way that I'd even try.  
If I had to survive without you in my life,  
I know I wouldn't last a day.  
Oh babe, there's no way. I never knew until you  
What I was missing.  
Now you say "Forever."  
I find my heart, it's listening,  
Yes, I'm listening.  
There's no way I can make it without you.  
There's no way that I'd even try.  
If I had to survive without you in my life,  
I know I wouldn't last a day.  
Oh babe, there's no way. Baby, there's just no way.
