

# When I Was a Boy

## Jeff Lynne's ELO

This was off the last album "Alone in the Universe"  
And it's called "When I Was a Boy" When I was a boy, I had a dream all about the things I'd  
like to be  
Soon as I was in my bed, music played inside my head  
When I was a boy, I had a dream When I was a boy, I learned to play far into the night and drift  
away  
Don't want to work on the milk and the bread  
I just want to play my guitar instead  
When I was a boy, I had a dream  
And radio waves kept me company  
In those beautiful days when there was no money  
When I was a boy, I had a dream When I was a boy  
I had a dream finding out what life could really mean  
Don't want a job cause it drives me crazy  
Just wanna sing, "Do you love me, baby?"  
When I was a boy, I had a dream  
And radio waves kept me company  
In those beautiful days, when there was no money  
When I was a boy, I had a dream When I was a boy
