

# Blowing Smoke (feat. DJ KO)

[Taylor Ray Holbrook](#)

Creeky choir, barbed wire, bottle tops on the tailgate  
The night sky through her eyes two young souls tryna get away  
Talkin' bout love and how we'd never let it go  
Talkin' bout dreams like we knew who we were but we didn't know  
Ah, blowing smoke  
Blowing smoke  
Blowing smoke  
Ah, we're just blowing smoke  
Ah, we're just blowing smoke  
Ah, blowing smoke  
Ah, we're just blowing smoke  
Ah, blowing smoke  
Blowing smoke  
Blowing smoke  
Ah, we just blowing  
Wedding rings, growing old, yeah that'd be nice if that's how it goes  
Some day you'll see I can get you all the finer things  
Talkin' bout love and how we'd never let it go  
Talkin' bout dreams like we knew who we were but we didn't know  
Ah, blowing smoke  
Blowing smoke  
Blowing smoke  
Ah, we're just blowing smoke  
Ah, we're just blowing smoke  
Ah, blowing smoke  
Ah, we're just blowing smoke  
Ah, blowing smoke  
Blowing smoke  
Blowing smoke  
Ah, we're just blowing smoke
