Everybody's Talkin' At Me

[Stephen Stills](#)

(Fred Neil)
Everybody's talkin' at me
Can't hear a word they're sayin'
Only the echoes of my mind
People stoppin', starin'
I can't see their faces
Only the shadows of their eyes
Goin' where the sun keeps shinin'
In the pouring rain
Goin' where the weather suits my clothes
Banking off a northeast wind
Sailin' on a summer's breeze
Skipping over the ocean
Like a stone
Everybody's talkin' at me
Can't hear a word they're sayin'
Only the echoes of my mind
People stoppin', starin'
I can't see their faces
Only the shadows of their eyes
Goin' where the sun keeps shinin'
In the pouring rain
Goin' where the weather suits my clothes
Banking off a northeast wind
Sailin' on a summer's breeze
Skipping over the ocean
Like a stoneAnd you know I'll never leave my love behind
