

# Hit the Quan (Luca Lush Unofficial Remix)

## [iLoveMemphis](#)

Yeah, yeah  
(Hey, Buck Nasty, I like your beats!)  
I finna, I finna, finna show you how to Hit the Quan, hit the Quan, hit the Quan, hit the Quan  
I said get down low and swing your arm  
I said get down low and hit the Quan  
I'm finna show you how to  
Hit the Quan, hit the Quan, hit the Quan, hit the Quan  
I said get down low and swing your arm  
I said get down low and hit the Quan  
I paper chase then vanish  
Hit the Quan on her make her boyfriend panic  
I heart Memphis, but I also love dancing  
I done took off on em, I don't plan on landing  
I call shots just do it like Nike  
No FaceTime but the people want to Skype me  
If I do time then who would really write me  
I stay on y'all mind but "oh I think they like me"  
Clean pair of sneaks, with a designer belt  
Please watch your step cause I'm feeling myself  
Throw a flag on the play, man somebody get the ref  
Go blah la la la low, man somebody get some help  
Pulled up on the block  
Hit the Quan, hit the Quan, hit the Quan, hit the Quan  
I said get down low and swing your arm  
I said get down low and hit the Quan  
I'm finna show you how to  
Hit the Quan, hit the Quan, hit the Quan, hit the Quan  
I said get down low and swing your arm  
I said get down low and hit the Quan Pull up on the block and do the dance like crazy  
This chick is hella hot but I know this chick crazy  
If I think she not then that makes me crazy  
We are both thots so we are both are crazy  
Flexing always on my agenda  
Your whole team rats, your CEO is Master Splinter  
Bout to hit the Quan and turn that girl into a member  
Now my whole team flexing, I think we got a winner  
People want to dap it up but they can't get none from me  
I went to jail and snap it up, at least I had bum money  
People wanna walk around me tryna steal my lingo  
Just make sure when you talk about me you say he's doing his thing though Hit the Quan, hit the  
Quan, hit the Quan, hit the Quan  
I said get down low and swing your arm

I said get down low and hit the Quan  
I'm finna show you how to  
Hit the Quan, hit the Quan, hit the Quan, hit the Quan  
I said get down low and swing your arm  
I said get down low and hit the Quan
