

# Motherless Children

## Big Sugar

Motherless children have a hard time  
When their mother's dead.  
Motherless children have a hard time  
When their mother's dead.  
See them wander from door to door,  
Lord, they don't got no place to go.  
Nobody love you like your mother can  
When your mother's dead. Father will do the best he can  
When your mother's dead.  
Father will do the best he can  
When your mother's dead.  
Father will do the best he can  
But some things, your father can't understand.  
Nobody loves you like your mother can  
When your mother's dead.  
When your mother's dead  
When your mother's dead, Lord  
Nobody loves you like your mother can  
When your mother's dead. When your mother's dead.  
When your mother's dead, Lord  
Nobody loves you like your mother can  
When your mother's dead. Sister will do the best she can  
When your mother's dead  
Sister will do the best she can  
But she'll go and leave you for another man  
Nobody loves you like a mother can  
When your mother's dead. When your mother's dead  
When your mother's dead  
Nobody loves you like a mother can  
When your mother's dead  
When you mother's dead  
When your mother's dead  
Nobody wants you  
Nobody needs you  
Nobody loves you like a mother can  
When your mother's dead
