Bang My Head (feat. Sia) [JP Candela Remix]

David Guetta

I was bound, was tired
Hadn't seen a light for so long
Thought I lost my fight
Couldn't find my way back home
And I found daylight stepping out of me

I was bound, and tired

Waiting for daylightBang my head against the wall Though I feel light headed, now I know I will not fall

I will rise above it all

Found what I was searching for

Though I feel light headed, I should have failed, and nailed the floor

Instead I rose above it all

Oh, oh, oh

Bang my head against the wall

Oh, oh, oh

Instead I rose above it all(Bang my head against the wall)When you think you're giving up Just know, you might think you're dying but you won't

And you the feel the love, something out of you

But when you think of giving up, don'tBang your head against the wall

You may feel light headed, but you won't crawl, no, you won't fall

You will rise above it all

You'll find what you're searching for

And you may feel light headed

You think you're gonna hit the floor

Instead you rise above it all

Oh, oh, oh

Bang your head against the wall

Oh, oh, oh

Instead you rise above it allI have broken wings

I keep trying, keep trying

No one get out

Oh I'm flying, oh I'm flyingBang my head against the wall

Though I feel light headed, now I know I will not fall

I will rise above it all

Found what I was searching for

Though I feel light headed, I should have failed, and nailed the floor

Instead I rose above it allOh, oh, oh

Bang my head against the wall

Oh, oh, oh

Bang my head against the wall

Bang my head against the wall

Instead I rise above it all
