WAIT... CONTAIN ME AROUND
ONLY TO... I SPIT
Step on my disease -
so nice to see me bleed
Step on my disease - I cannot contain SLOW IT DOWN... I'M SO winded
I've fallen down... again Taste numb of my teeth
Forever makes me... sick!
Step on my disease -
so nice to see me bleed
Step on my disease - I cannot contain SLOW IT DOWN... I'M so winded
I've fallen down... again
I follow the walking dead Now that you found out
- somewhat about me
I wonder how long it will be before
you leave SLOW IT DOWN - I'M SO winded -
SLOW IT DOWN
I've fallen down... again
SLOW IT DOWN - I'M so winded
- So end it
I've fallen down... again I follow the
walking dead
SPIT!
STUPID FUCK.
