

# Throwing It All Away

## Genesis

Need I say I love you?  
Need I say I care?  
Need I say that emotions,  
Are something we don't share?  
I don't want to be sitting here,  
Trying to deceive you  
Cuz you know I know baby  
That I don't wanna go We can not live together  
We can not live apart  
And that's the situation  
We've known it from the start  
Every time that I look at you,  
I can see the future  
Cuz you know I know baby  
That I don't wanna go  
Just throwing it all away  
Throwing it all away  
Is there nothing that I can say,  
To make you change your mind?  
I watch the world go round & round  
And see mine turnin' upside down Throwing it all away Now who will light up your darkness?  
And who will hold your hand?  
Who will find you the answers,  
When you don't understand?  
Why should I have to be the one,  
Who has to convince you?  
Cuz you know I know baby,  
That I don't wanna go  
Then some day you'll be sorry  
Some day when you're free  
Memories will remind you,  
That our love was meant to be  
But late at night when you call my name,  
The only sound you'll hear  
Is the sound of your voice calling,  
Calling out to me Just throwing it all away  
Throwing it all away  
And there's nothing that I can say  
Hey... We're throwing it all away Just a throwing it all away Just a throwing it all away
