

# It's Bad You Know

R.L. Burnside

It's bad you know  
It's bad you know She'd asked me why  
I just went on n' told her (x 4) The engineer blown the whistle,  
The fireman he rang the bell. (x 4) It's bad you know She'd asked me why  
I just went on n' told her She'd asked me why  
I just went on n' told her It's bad you know  
It's bad you know
