

# By the Time This Night Is Over

Kenny G & Peabo Bryson

Silence takes over  
Saying all we need to say  
There's endless possibilities  
In the moves we can make  
Your kiss is giving every indication  
If this heart of mine is right  
By the times this night is over  
The stars are gonna shine  
On two lovers in love  
And when the morning comes  
It's gonna find us together  
In a love that's just begun  
By the time this night is over  
Two hearts are gonna fly  
To the heavens above  
And we'll get closer  
And closer and closer  
By the time this night is over  
Let's take a slow and easy ride  
Just lay back and let love take us over  
There's magic here with you and I  
And it's gonna take us all the way  
Let's find some kind of deeper conversation  
And darling if it's right  
By the time this night is over  
The stars are gonna shine  
On two lovers in love  
And when the morning comes  
It's gonna find us together  
In a love that's just begun  
By the time this night is over  
Two hearts are gonna fly  
To the heavens above  
And we'll get closer  
And closer and closer  
By the time this night is over  
A night like this may never come again  
And you won't want this lie to end  
Oh baby, we can have it all  
By the time this night is over  
By the time this night is over  
The stars are gonna shine  
On two lovers in love  
And when the morning comes  
It's gonna find us together  
In a love that's just begun  
By the time this night is over  
Two hearts are gonna fly

To the heavens above  
And we'll get closer  
And closer and closer  
By the time this night is over, overGonna wrap my lovin' arms around you  
By the time this night is over  
Heaven's gonna smile  
Gonna smile on two lovers
