Badder than Bad girl you naughty
Swear down you're something else
You make badman want to something
Boby smooth like a lotion, lotion, lotion
I need to be honest with you
I want to be honored but you
Tell me what you waiting for
All I need is 24
I see you moving far, moving for
Baby meet me on the floor

All mhi need, ar 24 or a higher time
Sexiness fhi need fi know you dey pon my mind
