[Intro]

Yeah, look at what I did

Yeah, yeah, yeah

As I reminisce

Yeah, remember when I was a?kid

Hey,?hey[Chorus]

As I reminisce,?remember when I was a kid

Always?wanted to be rich, dawg

They just wanna surf

They know I'm the wave

They don't wanna learn, dawg

I've got kids, tryna cop my whip

Maybe a crib, dawg

They know what I'm worth

I'm putting in work

They've been tryna curve, dawg

[Verse 1]

Hey, I'm putting in work, hey, hey

Back on the turf, saving up for a Merc, hey

And I design-a these shirts

Pricey cologne, I don't gotta fit

You say you got it then I got it first

Ey, I'm tryna get it on foe nem

Cause they don't listen when I'm telling them

Catching feelings is irrelevant

Yeah, you see how they treat me, my dawg?

Rest in peace to SK hope you see me on God

Yeah, this life ain't easy, my dawg

Sometimes askhiphi my dawg, yeah, yeah

[Chorus]

As I reminisce, remember when I was a kid

Always wanted to be rich, dawg

They just wanna surf

They know I'm the wave

They don't wanna learn, dawg

I've got kids, tryna cop my whip

Maybe a crib, dawg

They know what I'm worth

I'm putting in work

They've been tryna curve, dawg[Bridge]  
I've been patient for way too long  
I thank God that he made me strong  
I've been patient for way too long  
I thank God that he made me strong  
Yeeah uh![Verse 2]  
They wanna ride the wave  
Wake up and decide to hate  
I'm not going outside today  
Negative energy far away  
Hey hey, sizopopa nathi  
Noma kunzima ukuzithoba ntway'zini  
Ngifun' ukuzithola ngami  
Kudala ngifuna ukuba yi bhoza nami  
Ngifun' ukuzithola ngami  
Kudala ngifuna ukuba yi bhoza nami[Chorus]  
As I reminisce, remember when I was a kid  
Always wanted to be rich, dawg  
They just wanna surf  
They know I'm the wave  
They don't wanna learn, dawg  
I've got kids, tryna cop my whip  
Maybe a crib, dawg  
They know what I'm worth  
I'm putting in work  
They've been tryna curve, dawg
