Low Rider

Exodus

All my friends Own a low rider Low rider Is a little higherLow rider Drives a little slower Low rider Is a real goerLow rider Knows every street, yeah! Low rider Is the one to meet, yeah!Low rider Don't use no gas now Low rider Don't drive too fast Take a little trip! Take a little trip! Take a little trip and see! Take a little trip! Take a little trip! Take a little trip with me!
