

Flossy (feat. My Name Is Kay)

Far East Movement

Dirty bass
Coming chance don't mean a thing
You by my side is all I need
I'm flossy
Yeah yeah yeah
I'm flossy
Yeah yeah yeah
Dippin' through the crowds
It's how we chill
All eyes on me is how I feel
I'm flossy
Yeah
I'm flossy
Yeah
Got me buzzin on your love
Straight shot no chasing
Hard beat getting harder
Than the bass tonight
Tonight
It's all good tonight
Then the rich and then Jay-Z
Stunnin like baby
Take the wheel girl
Drive me crazy tonight
Everything's all right
Yo
Everywhere we cruise all eyes on you
That's my boo
Everywhere we cruise all eyes on you
That's my boo
Coming chance don't mean a thing
You by my side is all I need
I'm flossy
Yeah yeah yeah
I'm flossy
Yeah yeah yeah
Dippin' through the crowds
It's how we chill
All eyes on me is how I feel
I'm flossy
Yeah
I'm flossy

Yeah
Yeah yeah yeah yeah
Yeah yeah yeah yeah
I'm flossy
Yeah
I'm flossy
Yeah

Like a fresh new tat I forever wanna rot
I wanna hit the avenue to show you on the block
'Cause you young, we fly, and we thirsty
So we gonna live it up like it's your birthday
And the ties like I can never take my eyes off you
You still have a record honey it's not your all I do
Iced out coop, for your iced out boots
Go in ham with my cheese baby, cordon bleu
Everywhere we cruise all eyes on you
That's my boo
Everywhere we cruise all eyes on you
That's my boo

Coming chance don't mean a thing
You by my side is all I need

I'm flossy
Yeah yeah yeah
I'm flossy
Yeah yeah yeah

Dippin' through the crowds
It's how we chill

All eyes on me is how I feel

I'm flossy

Yeah

I'm flossy

Yeah

Yeah yeah yeah yeah

Yeah yeah yeah yeah

I'm flossy

Yeah

I'm flossy

Yeah

Yo floss your bass in the air right now
All my bass has turned the bass up loud
If you feelin' that dum than throw your hands up

Dirty bass flossin' in the house

Floss your bass in the air right now

All my bass has turned the bass out loud

If you feelin' that dum than throw your hands up

Dirty bass flossin' in the house

Flossin' in the house

Flossin' in the house

Flo-flo-flo

Coming chance don't mean a thing
You by my side is all I need
I'm flossy
Yeah yeah yeah yeah
I'm flossy
Yeah yeah yeah yeah
Dippin' through the crowds
It's how we chill
All eyes on me is how I feel
I'm flossy
Yeah
I'm flossy
Yeah
Yeah yeah yeah yeah
Yeah yeah yeah yeah
I'm flossy
Yeah
I'm flossy
Yeah
I'm flossy
Yeah
I'm flossy
Yeah
