

Can't Jump (feat. Chuck English)

Asher Roth

[Chorus: Asher Roth]

I ain't mad at y'all

Oh, yo man play basketball?

That's cool and all, but I heard the motherfucker can't jump

I ain't mad at y'all

Oh, yo man play basketball?

That's cool and all, but I heard the motherfucker can't jump [Bridge: Chuck English]

Look, let me see that thang from the front

Uh, I can't front

Hard-head make a soft ass, girl, you can do whatever you want

I ain't mad at y'all

What's your man play, basketball?

Well that's cool and all, but I heard the motherfucker can't jump

Look, I can see that thang from the front

Uh, I can't front (Can't front)

Hard-head make a soft ass, girl, you can do whatever you want

I ain't mad at y'all

What's your man play, basketball?

Well that's cool and all, but I heard the motherfucker can't jump

[Verse 1: Asher Roth]

Yeah, yo, I ain't even know about him

You got a man, but he went in like the fourth round

God damn, they ain't even got a fourth round

Yeah, he probably went to Indiana, SoCal

Oh well, man I hit her on the land phone

He ain't home, on the road in Orlando

Playing man while I'm all up that damn zone

Getting stole cause he ain't got no handle, don't pout

Man, we saw it on the highlight

He was getting dunked on by LeBron like-

Like he gotta ball, and he not white

Top flight, yeah right, no hops like, Bud Light

[Chorus 2: Asher Roth & Chuck English]

I ain't mad at y'all

Oh, yo man play basketball?

That's cool and all, but I heard the motherfucker can't jump

I ain't mad at y'all

Oh, yo man play basketball?

That's cool and all, but I heard the motherfucker can't jump

Look, I can see that thang from the front

Uh, I can't front

Hard-head make a soft ass, girl, you can do whatever you want

I ain't mad at y'all
But yo man play basketball?
Well that's cool and all, but I heard the motherfucker can't jump
