### SUNDAY AFTERNOON

(Written by Bobby Brown, Derek "DOA" Allen, and Kenny Finnel) Yeah, on the re-make?

Sunday afternoon, yo

DOA, bring it to me, baby Well, well, well

Listen up baby Bright and early Sunday morning, I go to church and thank the Lord for another day

And when the service is over, I spend a little time with my family

And then we all get together just for a bite to eat and to cool out

That's when I gotta go somewhere by myself, I need a minute to unwind And when the sun starts going down

That's when I go to the park

(On a Sunday afternoon) On a Sunday afternoon, having fun

(Having so much fun) Everybody's just chillin', yes they are

(Everybody's just chillin') On a Sunday afternoon

(On a Sunday afternoon) Yeah I see the brothers outside, gettin' their cars together for that evening ride

They'll be cruising through the park, huh, checking out the honies way before it gets dark

Everybody's having fun, everybody's cold gettin' down

Rollin' in their Jeeps, pumpin' the funky sounds of me, Bobby Brown Just wrappin' up another weekend

That's when I go to the park (On a Sunday afternoon) On a Sunday, baby, afternoon

(Having so much fun) Everybody's, everybody's just chillin'

(Everybody's just chillin') On a Sunday afternoon

(On a Sunday afternoon) Yeah

DOA, do me a favor, play baby, come on Yeah, I like it like that

On a Sunday afternoon

(On a Sunday, when the sun is going down)

(We'll be coolin' and just kickin' around)

(Everybody's just having so much fun, Sunday afternoon)

On a Sunday afternoon

(We'll be strollin' and rollin' through the park)

(Just cruisin', havin' fun after dark)

(On a Sunday afternoon) Just me and my lady (On a Sunday afternoon)

Well, well, well, and my two little girls (Having so much fun)

And I can't forget about my two sons of?

We're just chillin' (Everybody's just chillin')

On a Sunday afternoon (On a Sunday afternoon)

On a Sunday afternoon, on a Sunday afternoon (On a Sunday afternoon) You know, well

I'd just like to say

After all the talk they have said about me, and about my family

We're all just chillin', yo

Still together, and we're still together

Yeah, B.Brown is outta here  
?(On a Sunday, when the sun is going down)  
(We'll be coolin' and just kickin' around)  
(Everybody's just having so much fun, Sunday afternoon)  
(They'll be strollin' and rollin' through the park)  
(Just cruisin', havin' fun after dark)  
(On a Sunday afternoon)...
