The Bomb

<u>L7</u>

Plastic people with their plastic lives Plastic lips tell plastic lies Plastic drivers in plastic cars Plastic food from plastic jarsFrustration is the fuse The flame is hate Tick tick tick Detonate She's the bombPlastic models in plastic magazines Plastic kings and plastic queens All are seen on plastic TVs Prayed to by people on bended plastic knees What you think, well that's good too But not as much as what do you do This fuse burns slow Waiting to blow The world is a heavy load Watch it explodeLawmakers with plastic policies Put plastic locks on their cities In hopes to keep them quiet Well go off Well blow upPlastic people with their plastic lives Plastic lips tell plastic lies Plastic drivers in plastic cars Plastic food from plastic jars Frustration is the fuse The flame is hate Tick tick tick Detonate She's the bombShe's the bomb DetonateShe's the bomb Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
