

Everything Will Be Alright

The Killers

Du-du-dudu I believe in you and me
I'm coming to find you
If it takes me all night
Run until you make it right
And I won't forget you
At least I'll try
And run and run
Tonight Everything will be alright
Everything will be alright
Everything will be alright Everything will be alright
Everything will be alright
Everything will be alright
Lalalala Oh Ho
Whilst I was out shopping for a doll
To say the least, I've thought I've seen them all
Then you took me by surprise
I'm dreaming about those dreamy eyes
I never knew, I never knew
So take your suitcases I don't mind
And maybe though I meant to
Every time You don't need to compromise
I'm dreaming about those dreamy eyes
I never knew, I never knew
But it's alright Everything will be alright
Everything will be alright
Everything will be alright
Everything will be alright
Everything will be alright
Everything will be alright Everything will be alright
Everything will be alright
Everything will be alright Everything will be alright
Everything will be alright
Everything will be alright
Will be alright
