

# Everything Will Be Alright

## The Killers

Du-du-dudu I believe in you and me  
I'm coming to find you  
If it takes me all night  
Run until you make it right  
And I won't forget you  
At least I'll try  
And run and run  
Tonight Everything will be alright  
Everything will be alright  
Everything will be alright Everything will be alright  
Everything will be alright  
Everything will be alright  
Lalalala Oh Ho  
Whilst I was out shopping for a doll  
To say the least, I've thought I've seen them all  
Then you took me by surprise  
I'm dreaming about those dreamy eyes  
I never knew, I never knew  
So take your suitcases I don't mind  
And maybe though I meant to  
Every time You don't need to compromise  
I'm dreaming about those dreamy eyes  
I never knew, I never knew  
But it's alright Everything will be alright  
Everything will be alright  
Everything will be alright  
Everything will be alright  
Everything will be alright  
Everything will be alright Everything will be alright  
Everything will be alright  
Everything will be alright Everything will be alright  
Everything will be alright  
Everything will be alright  
Will be alright
