Everything Will Be Alright

The Killers

Du-du-duduI believe in you and me
I'm coming to find you
If it takes me all night
Run until you make it right
And I won't forget you
At least I'll try
And run and run

TonightEverything will be alright

Everything will be alright

Everything will be alrightEverything will be alright

Everything will be alright

Everything will be alright

Lalalala Oh Ho

Whilst I was out shopping for a doll To say the least, I've thought I've seen them all

Then you took me by surprise

I'm dreaming about those dreamy eyes

I never knew, I never knew

So take your suitcases I don't mind

And maybe though I meant to

Every timeYou don't need to compromise

I'm dreaming about those dreamy eyes

I never knew, I never knew

But it's alrightEverything will be alright

Everything will be alrightEverything will be alright

Everything will be alright

Everything will be alrightEverything will be alright

Everything will be alright

Everything will be alright

Will be alright
