

Just Be Me

[Kirsty Hawkshaw](#)

Travel the world
Don't you come run away
From the person you are in your heart
You can be who you want to be
Make us believe in you
Keep all your light in the dark
Be searching for truth
You must look in the mirror
And make sense what you can seeJust be--
Just be
They say learning to love yourself
Is the first step that you take
When you want to be real
Flying on planes to exotic locations
Won't teach you how you really feel
Face up to the fact
That you are who you are
And nothing can change that
I believeJust be--
Just beCause now I know
It's not so far
To where I go
That I am spared
It's inside me--
To just be
Just be
Just be
I was lost
And I'm still lost
But I feel so
Much betterCause now I know
It's not so far
To where I go
That I am spared
It's inside me--
To just be
Just beAnd flying on planes to exotic locations
Won't teach you how you really feelJust be--
Just be
