Anyone But Him (feat. Kanye West)

Mr Hudson

Anyone but him
I'd rather hear you'd had the whole football team
Than have to watch his filthy lips on your skin
Anyone but himAnyone but him
With schoolboy fists we can take this outside
But knowing my luck that fuck would win
Anyone but himWho's gonna take you home?
Who's gonna take you home?

Who's gonna take you home? Who's gonna take you home

If it isn't me, if it isn't me? If itAnyone but him My blood boils as my eyes turn green Is this the best of the best of the scene?

Anyone but him Anyone but him

With schoolboy fists we can take this outside But knowing my luck that fuck would win Anyone but himWho's gonna take you home?

Who's gonna take you home?

Who's gonna take you home

If it isn't me, if it isn't me? If itAnyone but him Look past the leather and the dash and the rims

And you'll see his whole hustle wears thin

Anyone but himAnyone but him

He's gonna take what you can't take back

Then he's gone out the door on a whim

Anyone but him

Who's gonna take you home?

Who's gonna take you home?

Who's gonna take you home

If it isn't me, if it isn't me?Now when she go black, she ain't never coming back I'm sorry Mr. H, I thought you already knew that

You'll see her on a black street like Chauncey

I'm a bad boy like Sean C, Rock-A-Fella like Sean CKeep them Apes with me like Don C

Like Jay keep Beyonce, I'm just talking nonsey

So nonchalantly, see my Mark like Ronsy

 $Pop\ my\ collars\ like\ Fonzy,\ paparazzi\ is\ on\ meI\ see\ your\ girl\ want\ me,\ I'm\ filling\ up\ her\ glass$

Feeling on her ass, feeling so upper class

And your boy so fresh, I might even flash cash

So at the end of the night you ain't even gotta askWho's gonna take you home?

Who's gonna take you home?

Who's gonna take you home

If it isn't me, if it isn't me, if it isn't me, if it isn't me? If it isn't me, who's gonna take you home?

If it isn't me, who's gonna take you home

Now if it isn't me, if it isn't me? Who's gonna take you home if it isn't me?

Who's gonna take you home if it isn't me?

Who's gonna take you home if it isn't me

If it isn't me, if it isn't me?
