

Conquest (Acoustic Mariachi Version)

The White Stripes

Conquest...
He was out to make a conquest.
Didn't care what harm was done,
Just as long as he won the prize. Conquest...
She was just another conquest.
Didn't care whose heart was broke,
Love to him was a joke,
'Til he looked into her eyes.
And then in the strange way things happen,
Their roles were reversed from that day.
The hunted became the huntress;
The hunter became the prey. Conquest...
Now you know who made the conquest.
She with all her female guile,
Led him helpless down the aisle.
She had finally made a conquest. And then in the strange way things happen,
Their roles were reversed from that day.
The hunted became the huntress;
The hunter became the prey.
Conquest...
Now you know who made the conquest.
She with all her female guile,
Led him helpless down the aisle.
She had finally made a conquest. Conquest...
