Conquest (Acoustic Mariachi Version)

The White Stripes

Conquest...

He was out to make a conquest.

Didn't care what harm was done,

Just as long as he won the prize. Conquest...

She was just another conquest.

Didn't care whose heart was broke,

Love to him was a joke,

'Til he looked into her eyes.

And then in the strange way things happen,

Their roles were reversed from that day.

The hunted became the huntress;

The hunter became the prey.Conquest...

Now you know who made the conquest.

She with all her female guile,

Led him helpless down the aisle.

She had finally made a conquest. And then in the strange way things happen,

Their roles were reversed from that day.

The hunted became the huntress;

The hunter became the prey.

Conquest...

Now you know who made the conquest.

She with all her female guile,

Led him helpless down the aisle.

She had finally made a conquest. Conquest...
