

Rock and Roll All Nite

Poison

You show us everything you've got
You keep on dancin' and the room gets so hot
You drive us wild, we'll drive you crazy
And you say you wanna go for a spin
The party's startin', babe, I'll let you in
You drive us wild, we'll drive you crazy
You keep on shoutin'
You keep on shoutin' I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
You keep on saying you'll be mine for a while
You're lookin' fancy and I like your style
You drive us wild, we'll drive you crazy
You show us everything you g-g-got
Baby, baby, that's quite a lot
You drive us wild, we'll drive you crazy
You keep on shoutin'
You keep on shoutin' I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
You keep on shoutin'
You keep on shoutin'
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
I wanna rock and roll all nite and party every day
