

# Vagabonds (2005 Remastered Version)

## New Model Army

We follow the tail lights out of the city  
Moving in a river of red  
As the colors fade away from the dusky sunset  
We roll for the darkness ahead We are old, we are young, we are in this together  
Vagabonds and children, prisoners forever  
With pulses a-raging and eyes full of wonder  
Kicking out behind us again Night time, city beat, the radio is calling  
The lost and lonely in vain  
Out here we are running for the wide open spaces  
The road smell after the rain  
We are old, we are young, we are in this together  
Vagabonds and children, prisoners forever  
With pulses a-raging and eyes full of wonder  
Kicking out behind us again And watching as a boy alone at the quayside  
The ships loading cargo in the night  
Their names all calling to faraway places  
The years go past, the miles go by  
And still this childhood romance will not die We are old, we are young, we are in this together  
(We are old, we are young)  
Vagabonds and children, prisoners forever  
(Vagabonds and children)  
With pulses a-raging and eyes full of wonder  
(With pulses a-raging )  
Kicking out behind us again  
(Kicking out behind us)  
We are old, we are young, we are in this together  
Vagabonds and children, prisoners forever  
With pulses a-raging and eyes full of wonder  
Kicking out behind us again, hey, hey One more
