

Love You Down

Houston

Yeah, yeah
So beautiful baby
Let me lay you down It never really matter too much to me
(Nah never)
That you was just too damn old for me
(Yeah)
All that really matter was, who's my girlfriend?
And maybe it's all that matter to me
It's all that matter to me
Let me love you down
(Even if it takes all night)
Let me love you down
(You know it's gonna feel so right)
Let me love you down
(Girl)
(Even if it takes all night)
Let me love you down
(Gonna love you down, gonna love you down)(It's all you baby)
Remember when I drove you home from work
(Remember when I drove you home)
I loved the way that you kissed goodbye
(Goodbye, goodbye, goodbye)
(So beautiful girl)
All your friends think I'm just to young for you
(I'm not to young for you)
(You tell her)
I could do what cares that age could do, oh babe
(Yo c'mon)
Let me love you down
(Even if it takes all night)
Let me love you down
(You know it's gonna feel so right)
Let me love you down
(Even if it takes all night girl)
Let me love you down
(Gonna love you down)
Just me and you
(Gonna love you down)
So come on It's going down I be in them streets
Thuggin' on a block daily
Coming home to break you off girl
(Give you what you need)

(I'm gonna give you what you need)
Houston's gonna feel your body girl
(Your body girl)
And I'ma take you to another world
(Another world)
Tell me can you feel me inside girl
(I love you, gonna love you down, gonna love you down) Let me love you down oh I'ma love
(Even if it take's all night)
Take's all night
Let me love you down, I'ma love you all yeah
(You know it's gonna feel so right)
Let me love you down I'ma love
(Even if it takes all night girl)
Let me love you down
(Oh baby)
(Gonna love you down, oh) Let me love you down
Let me love you down
Let me love you down
