

# Every Heartbeat

Amy Grant

Hear me speak what's on my mind  
Let me give this testimony  
Reaffirm that you will find  
That you are my one and only No exception to this rule  
I'm simple, but I'm no fool  
I've got a witness  
Happy to say  
Every hour, every day Every heartbeat  
Bears your name  
Loud and clear they stake my claim  
My red blood runs true blue  
And every heartbeat belongs to you  
Classic case of boy meets girl  
Moving in the same direction  
You're not asking for the world  
I'm not asking for perfection Just a love that's well designed  
For passing the test of time  
I'm here to tell you  
I'm here to stay  
Every hour, every day Every heartbeat  
Bears your name  
Loud and clear they stake my claim  
Ask anyone and they'll tell you it's true  
And every heartbeat belongs to you  
Every heartbeat  
Bears your name  
Loud and clear they stake my claim, yeah  
My red blood runs true blue  
And every heartbeat belongs to you Ooooh... Yeah sure, maybe I'm on the edge  
But I love you baby, and like I said  
I'm here to tell you  
I'm here to stay  
Every hour, every day  
Every heartbeat  
Bears your name  
Loud and clear they stake my claim  
Ask anyone and they'll tell you it's true  
And every heartbeat belongs to you Every heartbeat  
Bears your name  
Loud and clear they stake my claim, yeah  
My red blood runs true blue  
And every heartbeat belongs to you \*repeat until fade\*
