

# Alphabet Boy

Melanie Martinez

You're always aiming paper airplanes at me when you're around  
You build me up like building blocks just so you can bring me down  
You can crush my candy cane but you'll never catch me cry  
If you dangle that diploma and I dead, you don't be surprised I know my ABC's, yet you keep  
teaching me

I say fuck your degree, alphabet boy  
You think you're smarter than me with all your bad poetry  
Fuck all your ABC's, alphabet boy I'm not a little kid now

Watch me get big now  
Spell my name on the fridge now  
With all your alphabet toys  
You won the spelling bee now  
But are you smarter than me now?  
You're the prince of the playground  
Little alphabet boy

Apples aren't always an appropriate apology  
Butterscotch and bubblegum drops are bittersweet to me  
You call me a child while you keep counting all your coins  
But you're not my daddy and I'm not your dolly  
And your dictionary's destroyed I know my ABC's, yet you keep teaching me

I say fuck your degree, alphabet boy  
You think you're smarter than me with all your bad poetry  
Fuck all your ABC's, alphabet boy I'm not a little kid now

Watch me get big now  
Spell my name on the fridge now  
With all your alphabet toys  
You won the spelling bee now  
But are you smarter than me now?  
You're the prince of the playground  
Little alphabet boy

Alphabet boy  
Oh, alphabet boy  
Alphabet boy  
Alphabet boy  
My alphabet boy  
Ooh-ooh I'm not a little kid now  
Watch me get big now  
Spell my name on the fridge now  
With all your alphabet toys  
You won the spelling bee now  
But are you smarter than me now?  
You're the prince of the playground
