

You're Mine

Disturbed

I've begun to realize
That whenever I am with you
You deliver me from the pain in my life
Easy now to recognize
All the misery I have been through
It was beating me to submission
Till the day you arrived
Suddenly I felt alive
Strength I had lost was revived
I'm mending inside
And we both know why
Cause you're
Mine
I knew I could be whole if you were
Mine
I'll make wish any foe because you're
Mine
Been betrayed too many times
Didn't think I would ever recover
That it'd haunt me for the rest of my life
Then you opened up my eyes
And you helped me rediscover
With what you resurrected
A man who had died
Your power regave me new life
Made me reborn and refined
Rebuilt from inside
And we both know why
Cause you're
Mine
I knew I could be whole if you were
Mine
I'll make wish any foe because you're
Mine
I never thought I would ever escape
At times, I wanted to die
Feared that it all was just a little too late
For then I wouldn't survive
I let you in and let go of the hate
My heart recovered now, I
Owe you a debt that I can never repay
I still believe cause you're mine
I'm burning inside
And we both know why
Cause you're
Mine
I knew I could be whole if you were
Mine
I'll make wish any foe because you're
Mine

I can regain control because you're
Mine
I can take over the world because you're
Mine
Mine
