

Tightrope

Sara Bareilles

[Verse 1]

Some people long for a life that is simple and planned, tied with a ribbon
Some people won't sail the sea, 'cause they're safer on land
To follow what's written but I'd follow you to the great unknown

Off to a world we call our own[Chorus]

Hand in my hand and we promise to never let go

We're walking a tightrope

High in the sky we can see the whole world down below

We're walking a tightrope

Never sure, never know how far we could fall

[Post-Chorus]

But it's all an adventure that comes with a breathtaking view

Walking a tightrope with you[Verse 2]

Mountains and valleys and all that will come in between

Desert and ocean

You pulled me in and together we're lost in a dream

Oh, he's in motion so I risk it all

Just to be with you

And I'll risk it all for this life we choose

[Chorus]

Hand in my hand and you promise to never let go

We're walking a tightrope

High in the sky we can see the whole world down below

We're walking a tightrope

Never sure, but you catch me if I should fall[Post-Chorus]

Well, it's all an adventure that comes with a breathtaking view

Walking the tightrope with you
