

Today My World Slipped Away

[George Strait](#)

We made it final today
I gave you all I had
You made your getaway
All the love we once made
Turned to memories today I left the courtroom and went straight to the church
I hit my knees and told God how much I hurt
Nothing left of my heart
It's gonna be so hard to make a new start
Cause today my world slipped away
We buried the plans that we made
And tonight I'm alone and afraid
Cause today my world slipped away All my friends say I'll make it alright
I'll recover and start a new life
But that'll be so hard to do
Cause livin ain't worth livin without you
Cause today my world slipped away
We buried the plans that we made
And tonight I'm alone and afraid
Cause today my world slipped away Cause today my world slipped away
