

# Addams Groove

## MC Hammer

They do what they wanna do say what they wanna say  
live how they wanna live play how they wanna play  
dance how they wanna dance kick and they slap a friend  
the Addams family

They do what they wanna do say what they wanna say  
live how they wanna live play how they wanna play  
dance how they wanna dance kick and they slap a friend  
the Addams family

Now I was cold cooling you know just kicking it around the house  
when a knock a knock a knock and a voice "Yo can hammer come out"  
now I don't mind being a friend and showing a little bit of flava  
but Wednesday Pugsley Gomez Fester man them some strange neighbours

They do what they wanna do say what they wanna say  
live how they wanna live play how they wanna play  
dance how they wanna dance kick and they slap a friend  
the Addams family

They do what they wanna do say what they wanna say  
live how they wanna live play how they wanna play  
dance how they wanna dance kick and they slap a friend  
the Addams family

I remember the day I needed to borrow a little bit of pepper  
the next thing you know coming at me was a hand with the fingers high stepping  
now I tried to play it on off and act like I'm having a ball  
but what do I see a perm with feet standing about three feet tall

They do what they wanna do say what they wanna say  
live how they wanna live play how they wanna play  
dance how they wanna dance kick and they slap a friend  
the Addams family

They do what they wanna do say what they wanna say  
live how they wanna live play how they wanna play  
dance how they wanna dance kick and they slap a friend  
the Addams family

Speaking and thinking about the Addams you know the hammer is with it  
act a fool no Bones Swoop Goofy and Randy you know we kick it  
now is the time to get in your mind it's okay to be yourself  
take foolish pride and put it aside like the Addams yo they def
