Hot n Cold

Katy Perry

You change your mind like a girl changes clothes

Yeah, you, PMS like a bitch, I would know

And you over think always speak cryptically

I should know that you're no good for me'Cause you're hot then you're cold

You're yes then you're no

You're in then you're out

You're up then you're downYou're wrong when it's right

It's black and it's white

We fight, we break up

We kiss, we make upYou, you don't really wanna stay, no

You, but you don't really wanna go-o

You're hot then you're cold

You're yes then you're no

You're in then you're out

You're up then you're downWe used to be just like twins, so in sync

The same energy, now's a dead battery

Used to laugh 'bout nothing, now you're plain boring

I should know that you're not gonna change'Cause you're hot then you're cold

You're yes then you're no

You're in then you're out

You're up then you're downYou're wrong when it's right

It's black and it's white

We fight, we break up

We kiss, we make up

You, you don't really wanna stay, no

You, but you don't really wanna go-oYou're hot then you're cold

You're yes then you're no

You're in then you're out

You're up then you're downSomeone call the doctor, got a case of a love bipolar Stuck on a roller coaster, can't get off this rideYou change your mind like a girl changes

clothes'Cause you're hot then you're cold

You're yes then you're no

You're in then you're out

You're up then you're downYou're wrong when it's right

It's black and it's white

We fight, we break up

We kiss, we make upYou're hot then you're cold

You're yes then you're no

You're in then you're out

You're up then you're downYou're wrong when it's right

It's black and it's white

We fight, we break up

We kiss, we make upYou, you don't really wanna stay, no
You, but you don't really wanna go-oYou're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
