

# Please Forgive Me

David Gray

Please forgive me  
If I act a little strange  
For I know not what I do.  
Feels like lightning running through my veins  
Every time I look at you  
Every time I look at you Help me out here  
All my words are falling short  
And there's so much I want to say  
Want to tell you just how good it feels  
When you look at me that way  
When you look at me that way  
Throw a stone and watch the ripples flow  
Moving out across the bay  
Like a stone I fall into your eyes  
Deep into that mystery  
Deep into some mystery I got half a mind to scream out loud  
I got half a mind to die  
So I won't ever have to lose you girl  
Won't ever have to say goodbye  
I won't ever have to lie  
Won't ever have to say goodbye Whoa, oh oh oh, I  
Whoa, oh oh oh, I  
Whoa, oh oh oh, I  
Please forgive me  
If I act a little strange  
For I know not what I do  
Feels like lightning running through my veins  
Every time I look at you  
Every time I look at you  
Every time I look at you  
Every time I look at you
