

Right Now (feat. Pi'erre Bourne)

Playboi Carti

Now, right now
Now, right now
Now, right now
Now I let her count it, too much to balance
I can't even balance
Got a bitch in my palace
And she work at Palace
And a bih at Magic
And she me let me have it
She let me smash it, she let me pass it
Baby no cap (baby no cappin')
I'm on the block I got the Glock
I want the static
I got the bitch all on the pipe, just like a addict
I got the bih all on the pipe calling me daddy
I'm with the stick, I'm in the 6, I'm in the wagon
I'm in the bitch, I'm in the bricks, I'm in the ashes
I got that white I got that dope, I got that ash
Sellin' that soap, sellin' that soap, selling that nasty
I'm on the block, just like a po' fuckin' a bandit
I'm on the block, I got them ropes, I got them bends
We gotta go, we gotta go, hop in the ghost
Then I go ghost
Ooh, ooh
Now, right now
Now, right now
Now, right now
Now
Now, right now
Now, right now
Now, right now
Now, right now
Now
Now Bads in the right now
Back to the future. aye
Get it all off computers, hey
Bill Gates, aye
All my bills paid, hey
For real
Got that good gas, for real
Put you on your ass, for real
Got that good gas, for real
Put you on your ass, for real
