

Life Is Better With You

Michael Franti & Spearhead

Every day's not valentines
But you make it feel like most of the time
When I'm all alone with you
Picking up pieces of my life, sometimes there ones I just can't find
But they've find a home with you
Whoa, I'm not afraid to be alone,
But being alone is better with you,
Whoa whoa Life is better with you
Whoa whoa Life is better with you
And when I think about the things that we've been thru,
I know just one thing is true... Life is better with you
Some days are better than other days,
But these days life is better with you
Some days are better than other days,
But these days life is better with you-hoo, Life is better Tell me what you want; I'll give you all
that you need,
With my heart and my hands saying please baby please
Because nobody does that thing you do better than you
And thoughts still swim around in my head
of all the words that we ever said
My favorites remain I love you Whoa, I'm not afraid to be alone,
But being alone is better with you,
Whoa whoa Life is better with you
Whoa whoa Life is better with you
And when I think about the things that we've been thru,
I know just one thing is true... Life is better with you
Every day's not valentines but you make me feel it most of the time with you... you-hoo
All my life I've tried to find the one who makes me feel the way you do... you-hoo
Some days are better than other days,
But these days life is better with you
Some days are better than other days,
But these days life is better with you
And when I think about the things that we've been thru,
I know just one thing is true
Life is better with you...
Whoa... whoa... life is better with you...
Whoa... whoa... life is better with you...
Whoa... whoa... life is better with you...
Whoa... whoa... life is better with you-hoo...
Whoa... whoa... life is better with you...
