

It Don't Mean a Thing

Owen Campbell

I had a dream
A dream you'd left me babe
Oh, it don't mean a thing
When I came to, your train had left the station
Oh, it don't mean a thing
It don't mean
Oh, it don't mean nothing babe
I wanna know
How a man can be so foolish
You take me down
Then you redeem a life with your hands
Now c'mon
Dance with me baby!
Yeah, you dance with me baby!
A little time for me
My heart is glued to a mess of a life honey
Oh, it don't mean a thing
Your tears are reminding me of another trainwreck time, sugar
Oh, it don't mean a thing
It don't mean
Oh, it don't mean nothing baby
I wanna know
How a man can be so foolish
You take me down
And you redeem a life with your hands
Now c'mon here,
You dance with me baby!
Yes oh, you dance with me baby!
Yes sugar!
Oh one more, yes!
How do you do
I guess I'm fine sugar
Oh, it don't mean a thing
Whenever you leave, your mamma will be happy honey
Oh, it don't mean a thing
It don't mean
Oh, it don't
Don't mean nothing baby
I wanna know
How a man can be so foolish
You take me down
And you redeem a life with your hands

Step on back and
One more time for me!
Yes, dance with me baby!
You, come on back!
Yes, come on back!
Yes you do!
And one more time for me!
Oh you dance with me baby!
All round the night
Oh you dance with me baby!
End
