

# Angel With a Shotgun

## The Cab

(I'm an angel with a shotgun, shotgun, shotgun.  
An angel with a shotgun, shotgun, shotgun.)Get out your guns, battle's begun.  
Are you a saint or a sinner?  
If love's a fight then I shall die  
With my heart on a trigger.They say before you start a war  
You better know what you're fighting for.  
Well, baby, you are all that I adore.  
If love is what you need, a soldier I will be.I'm an angel with a shotgun  
Fighting 'til the war's won  
I don't care if heaven won't take me back.  
I'll throw away my faith, babe, just to keep you safe.  
Don't you know you're everything I have?  
And I wanna live, not just survive tonight.  
Sometimes to win, you've got to sin.  
Don't mean I'm not a believer.  
And major Tom will sing along.  
Yeah, they still say I'm a dreamer.They say before you start a war  
You better know what you're fighting for.  
Well, baby, you are all that I adore.  
If love is what you need, a soldier I will be.I'm an angel with a shotgun  
Fighting 'til the war's won  
I don't care if heaven won't take me back.  
I'll throw away my faith, babe, just to keep you safe.  
Don't you know you're everything I have?  
And I wanna live, not just survive tonight.Oh, oh whoa whoa oh whoa x3I'm an angel with a  
shotgun.  
Fighting 'til the war's won.  
I don't care if heaven won't take me back.  
I'm an angel with a shotgun  
Fighting 'til the war's won  
I don't care if heaven won't take me back.  
I'll throw away my faith, babe, just to keep you safe.  
Don't you know you're everything I have?  
(I'm an angel with a shotgun)  
And I want to live, not just survive  
(Live, not just survive)  
And I'm gonna hide, hide, hide my wings tonight.  
They say before you start a war  
You better know what you're fighting for.  
Well, baby, you are all that I adore.  
If love is what you need, a soldier I will be.
