Arms

Christina Perri

I never thought that you would be the one to hold my heart But you came around and you knocked me off the ground from the startYou put your arms around me And I believe that it's easier for you to let me go You put your arms around me and I'm homeHow many times will you let me change my mind and turn around I can't decide if I'll let you save my life or if I'll drownI hope that you see right through my walls I hope that you catch me, 'cause I'm already falling I'll never let a love get so close You put your arms around me and I'm home The world is coming down on me and I can't find a reason to be loved I never wanna leave you but I can't make you bleed if I'm aloneYou put your arms around me And I believe that it's easier for you to let me goI hope that you see right through my walls I hope that you catch me, 'cause I'm already falling I'll never let a love get so close You put your arms around me and I'm home I tried my best to never let you in to see the truth And I've never opened up I've never truly loved 'Till you put your arms around me And I believe that it's easier for you to let me go I hope that you see right through my walls I hope that you catch me, 'cause I'm already falling I'll never let a love get so close You put your arms around me and I'm home You put your arms around me and I'm home Song Discussions is protected by U.S. Patent 9401941.
