

# See You Again (feat. Bea Miller)

## Boyce Avenue

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh, I'll tell you all about it when I see you again  
When I see you again  
(Hey)Damn, who knew?  
All the planes we flew  
Good things we've been through  
That I'll be standing here talking to you  
'Bout another path  
I know we loved to hit the road and laugh  
But something told me that it wouldn't last  
Had to switch up  
Look at things different, see the bigger picture  
Those were the days  
Hard work forever pays  
Now I see you in a better place  
How can we not talk about family when family's all that we got?  
Everything I went through you were standing there by my side  
And now you gon' be with me for the last ride  
It's been a long day without you, my friend  
And I'll tell you all about it when I see you again  
We've come a long way from where we began  
Oh, I'll tell you all about it when I'll see you again  
When I'll see you again  
Aah oh, aah oh  
Wooh-oh-oh-oh-oh-oh  
Oh first you both go out your way  
And the vibe is feeling strong  
And what's small turn to a friendship  
A friendship turn to a bond  
And that bond will never be broken  
The love will never get lost  
And when brotherhood comes first  
Then the line will never be crossed  
Established it on our own  
When that line had to be drawn  
And that line is what we reach  
So remember me when I'm gone  
How can we not talk about family when family's all that we got?  
Everything I went through you were standing there by my side  
And now you gon' be with me  
for the last ride  
So let the light guide your way, yeah  
Hold every memory as you go  
And every road you take, will always lead you home, home

It's been a long day without you, my friend  
And I'll tell you all about it when I see you again We've come a long way from where we began  
Oh, I'll tell you all about it when I see you again  
When I see you again  
Aah oh Aah oh  
Wooooh-oh-oh-oh-oh-oh  
When I see you again  
See you again  
Wooooh-oh-oh-oh-oh-oh  
When I see you again
