

# Don't Leave

## Omarion

Don't leave me now, now that I turned around  
Don't leave, leave now  
Cuz I finely figure it out Don't leave me now  
Cuz you deserve to keep up  
And you made out of me I don't want fight, I don't want hurt  
Don't want you to cry, I don't wanna do dirty no more  
Don't give back the keys, don't walk out the door  
Need you here with me, girl this love is worth fighting for Don't leave me  
Don't leave me  
Don't leave me  
Don't leave me  
Don't leave me  
Don't leave me now the game that a n\*\*\*a play done  
Finely drove you away  
Don't leave me now  
Cuz I can do better, girl I can do better  
Don't leave me now  
You see I don't do you the same  
I done fell off  
Now you wanna walk away, baby hell no I don't want fight, I don't want hurt  
Don't want you to cry, I don't wanna do dirty no more  
Don't get back the keys, don't walk out the door  
Need you here with me, girl this love is worth fighting for Don't leave me  
Don't leave me  
Don't leave me, no  
Don't leave me  
Don't leave me, no  
Say you 'bout to leave but what you gonna fall?  
You already know I ain't bout to let you roll like that  
You'll be talking shit and I'll just go alone  
Even if you go, I know that you roll right back  
She say that I don't listen, I do the big things with the biggest shit, I miss it  
She really just wanna fuck with a n\*\*\*a, that's official  
I promise that I'm tryin' to give you my last initial Cuz I don't wanna go crazy  
But you driving me there  
Now you fucking broke my ego  
But baby I don't care I don't want fight, I don't want hurt  
Don't want you to cry, I don't wanna do dirty no more  
Don't get back the keys, don't walk out the door  
Need you here with me, girl this love is worth fighting for Don't leave me  
Don't leave me  
Don't leave me

Don't leave me  
Don't leave me
