## Be One

## **Natalie Grant**

We don't feel ready We don't feel steady Question what we really have to give Stay where it's safer Claim faith, but waiver Is this how we really meant to live?We pray but never move We say but never doIt's time to get our hands dirty Oh oh, oh oh Be love there's a whole lot of hurting Oh oh, oh oh Calling all hearts Calling all hands Calling all feet to take a stand Why sit around and wait for a miracle to come when we can be one? When we can be one When we can be one A little somethin' Might feel like nothin' But in His hands it's all we'll ever need To speak life to the broken Watch the blind eyes open It's who He's calling you and me To beIt's time to get our hands dirty Oh oh, oh oh Be love there's a whole lot of hurting Oh oh, oh oh Calling all hearts Calling all hands Calling all feet to take a stand Why sit around and wait for a miracle to come when we can be one? When we can be one We can be the change, be the hope We can be the arms that don't let go We can be a light in the dark We are, we are where it startsIt's time Oh oh, oh oh Be love there's a whole lot of hurting Oh oh, oh oh Calling all hearts Calling all hands

Calling all feet to take a stand Why sit around and wait for a miracle to come when we can be one? When we can be one When we can be one We can be the change, be the hope Yeah We can be the arms that don't let go Calling all hearts Calling all hands Oh oh, oh oh.
