

# Fallen Leaves

Billy Talent

In a crooked little town,  
They were lost and never found  
Fallen leaves, fallen leaves  
Fallen leaves on the ground!  
I hitched a ride until the coast, To leave behind all of my ghosts  
Searching for something, I couldn't find at home  
Can't get no job, can you spare a dime?  
Just one more hit and I'll be fine,  
I swear to God, this'll be my one last time  
In a crooked little town.  
They were lost and never found  
Fallen leaves, fallen leaves  
Fallen leaves on the ground  
Run away before you drown  
Or the streets will beat you down  
Fallen leaves, fallen leaves  
Fallen leaves on the ground  
When it gets dark in Pigeon Park  
Voice in my head will soon be fed  
By the vultures that circle round the dead  
In a crooked little town  
They were lost and never found  
Fallen leaves, fallen leaves Fallen leaves on the ground  
Run away before you drown  
Or the streets will beat you down  
Fallen leaves, fallen leaves  
Fallen leaves on the ground  
I never once thought I'd ever be caught  
Staring at sidewalks, hiding my track marks  
I left my best friends or did they just leave me?  
In a crooked little town  
They were lost and never found  
Fallen leaves, fallen leaves  
Fallen leaves on the ground  
In a crooked little town  
They were lost and never found  
Fallen leaves, fallen leaves  
Fallen leaves on the ground  
Run away before you drown  
Or the streets will beat you down  
Fallen leaves, fallen leaves Fallen leaves on the ground  
Run away before you drown...

Fallen leaves, fallen leaves,  
Fallen leaves on the ground  
Run away before you drown.  
Fallen leaves, fallen leaves  
Fallen leaves on the ground.
