

# Neva Gave a Fuck

## Kid Ink

Yeah  
Ok  
Neva' gave a fuck,  
Probably never will, Rolling,  
Riding to the motherfucking wheel  
Fall off, Yeah  
I'll be in this motherfucking steel  
Rolling bitch to say the motherfucking drill  
Call it cute lil baby  
If you ain't know that  
Niggas trying to steal my swag  
Need a low gear  
Walking 'round this beach with no shirt  
Like Conan  
Leaning off decoding  
That's why I'm moving slowly  
So sorry for the trouble  
Baby drop it like a fumbo  
And I'mma make it rain  
Feel like spring in the summer  
Hell no it ain't nothing going here  
I'm like a button take the second  
You hear me buzzing  
Bitch you know I  
Neva gave a fuck, neva neva gave a fuck  
Know I, neva gave a fuck  
Probably never will  
You know I  
Neva gave a fuck, neva neva gave a fuck  
Know I, neva gave a fuck Probably never will Shawty I'm a dick, trying to Copperfield  
Better cuff your chain going for the steel  
She'll be looking at a nigga like a motherfucking mill  
Signing titties all night still I won't sign a deal  
Ah, yeah, tell me what you know 'bout  
Tryin' to keep it real but my show already sold out  
Uh, white girls everywhere I go now  
Party over here but we can take it to the house  
Shawty ring my bell, paying out my hustle  
It's alum I beg paying bitch sort of rubble  
Now you see me here, HD we clear  
With my middle finger up in the air Bitch you know I  
Neva gave a fuck, neva neva gave a fuck

Know I, neva gave a fuck  
Probably never will  
You know I Neva gave a fuck, neva neva gave a fuck  
Know I, neva gave a fuck  
Probably never will Bitch I got it pumpin' pumpin' pumpin' pumpin' pumpin' pumpin'  
Bitch I got it pumpin' pumpin'  
pumpin' pumpin' pumpin' pumpin'  
Bitch I got it Man of my city, L.A. is the home  
Niggers ran to my city  
When they see that we was own  
Hold on, this touch down  
Now you hear me in the radio  
First time here, but your girl  
We already know I had these bitches at my table back at lunch  
Now I got couple of bottles  
Saying bitches back in front  
Somebody bring the bartender back at once  
I'mma need a little more, tell him how I go Bitch you know I  
Neva gave a fuck, neva neva gave a fuck Know I, neva gave a fuck  
Probably never will  
You know I  
Neva gave a fuck, neva neva gave a fuck  
Know I, neva gave a fuck  
Probably never will Pumpin' pumpin' pumpin'  
Pumpin' pumpin' pumpin'
